**To: Our Shareholders**

Dear Sirs/Madam,

**PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE ("PROPOSAL")**

---

**1. INTRODUCTION**

At the AGM of the Company held on 25 April 2024, our Company had obtained your mandate for MCB Group to enter into RRPTs with Related Parties in the ordinary course of business based on commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders, which are necessary for our Group's day-to-day operations.

The aforesaid mandate shall, in accordance with the Listing Requirements, lapse at the conclusion of the forthcoming Nineteenth (19<sup>th</sup>) AGM of the Company unless authority for its renewal is obtained from our shareholders.

On 21 February 2025, our Company had announced to Bursa Malaysia its intention to seek your approval for the Proposal pursuant to Paragraph 10.09 of the Listing Requirements at the forthcoming 19<sup>th</sup> AGM of the Company.

**THIS CIRCULAR SERVES TO PROVIDE YOU WITH THE DETAILS OF THE PROPOSAL AND TO SEEK YOUR APPROVAL FOR THE ORDINARY RESOLUTION PERTAINING TO THE PROPOSAL TO BE TABLED AT THE FORTHCOMING 19<sup>th</sup> AGM UNDER THE AGENDA OF SPECIAL BUSINESS, THE NOTICE OF WHICH IS SET OUT IN THE ANNUAL REPORT 2024.**

**YOU ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR BEFORE VOTING ON THE ORDINARY RESOLUTION TO GIVE EFFECT TO THE PROPOSAL AT THE FORTHCOMING 19<sup>th</sup> AGM.**

## **2. DETAILS OF THE PROPOSAL**

### **2.1 Background Information**

Paragraph 10.09(2), Part E of Chapter 10 of the Listing Requirements states that a listed issuer may seek its shareholders' mandate in respect of related party transactions involving recurrent transactions of a revenue or trading nature which are necessary for its day-to-day operations subject to, inter alia, the following:

- (i) the transactions are in the ordinary course of business and are on terms not more favourable to the related party than those generally available to the public;
- (ii) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1)(a) of the Listing Requirements;
- (iii) a circular for the shareholders' mandate shall include the information as may be prescribed by Bursa Malaysia. The draft circular must be submitted to Bursa Malaysia together with a checklist showing compliance with such information;
- (iv) in a meeting to obtain the shareholders' mandate, the interested director, major shareholder or person connected with a director or major shareholder; and where it involves the interest of the person connected with a director or major shareholder, such director or major shareholder must not vote on the resolution to approve the transactions. An interested director or major shareholder must ensure that persons connected with him abstain from voting on the resolution approving the transactions; and
- (v) the listed issuer shall immediately announce to Bursa Malaysia when the actual value of a RRPT entered into by the listed issuer, exceeds the estimated value of the RRPT disclosed in the circular by 10% or more and the announcement must include the information as may be prescribed by Bursa Malaysia.

Where a listed issuer has procured a shareholders' mandate in respect of RRPT(s) pursuant to Paragraph 10.09(2) of the Listing Requirements, the provisions under Paragraph 10.08 of the Listing Requirements shall not apply to the RRPT(s) which are comprised in the said mandate during the validity period of the mandate.

The shareholders' mandate for the RRPT(s) is also subject to the following:

- (a) the transactions are conducted on normal commercial terms;
- (b) the transactions are not detrimental to the minority shareholders;
- (c) the transactions are conducted on arm's length basis; and
- (d) details of the transactions containing the information as set out in Annexure PN12-A of the Listing Requirements are set out in the circular.

It is anticipated that MCB Group would, in the ordinary course of its business, enter into the RRPT(s) which are necessary for its day-to-day operations with the classes of Related Parties which are disclosed in Section 2.3 of this Circular. It is likely that such transactions will occur with some degree of frequency and could arise at any time.

Our Board is seeking your mandate which would allow our Group to enter into the RRPT(s) with the Related Parties as specified in Section 2.4 of this Circular provided that such transactions are necessary for its day-to-day operations, in the ordinary course of their business carried out on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of its minority shareholders.

The Proposal, if approved by you at the forthcoming 19<sup>th</sup> AGM, applies in respect of the RRPT(s) to be entered into as set out in Section 2.4 of this Circular and shall take effect from and including the date of the forthcoming 19<sup>th</sup> AGM, and shall continue to be in force until:

- (i) the conclusion of the next AGM of our Company following the forthcoming 19<sup>th</sup> AGM at which the resolution authorising the Proposal is passed, at which time it will lapse, unless by a resolution passed at the AGM, the authority is renewed;
- (ii) the expiration of the period within which the next AGM after the date is required to be held pursuant to Section 340(2) of the Act (but shall not extend to such extensions as may be allowed pursuant to Section 340(4) of the Act); or
- (iii) revoked or varied by resolutions passed by our shareholders in general meeting,

whichever is the earlier.

Thereafter, approval from our shareholders for annual renewal of the mandate will be sought at each subsequent AGM of our Company.

Our Company will disclose the aggregate value of the RRPT(s) conducted during a financial year in the annual report for the said financial year.

MCB, however will review, where appropriate and if deemed necessary, may impose late payment charges on the outstanding amount, subject to the terms of the transactions and the applicable rules and regulations, if any.

The management of AFSB monitors and conducts monthly reviews on the ageing profile of all the outstanding amount. AFSB Group regards all outstanding amount as recoverable which is consistent with the payment track records and supported with relevant contract terms. From the financial year end up to the LPD, the Group has collected approximately RM5,971,480 from the above RRPT, predominantly from amount outstanding for more than 1 year to 3 years and 1 year or less. Ongoing efforts are in place to recover the remaining outstanding amount. The management expects to recover significant outstanding amount by the end of 2025.

MCB's Board is of the opinion that the outstanding balance is recoverable as the Related Parties are long-term business partners and have sound credit standing.

## 2.6 Review Procedures for the RRPT(s)

MCB Group has established the following procedures and guidelines to ensure that the RRPT(s) are undertaken on an arm's length basis on transaction prices and on normal commercial terms consistent with the MCB Group's usual business practices and policies, which are not more favourable to the Related Parties than those generally available to third parties/public and are not to the detriment of the minority shareholders:

- (i) The sale or purchase of goods and services shall be determined on the basis of the prevailing rates/prices of the goods and services (including preferential rates/prices/discounts accorded to a class or classes of customers of bulk purchases) according to their usual commercial terms and business practices or otherwise in accordance with other applicable industry norms/ considerations.

### **3. STATEMENT BY THE BOARD AUDIT COMMITTEE**

The Board Audit Committee of our Company has seen and reviewed the procedures established in Section 2.6 above for RRPT(s) and is of the view that:

- (i) the said procedures for the RRPT(s) as well as the periodic review to be made by the Board Audit Committee in relation thereto are sufficient to ensure that the RRPT(s) will be made at arm's length and in accordance with our Company's normal commercial terms and are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (ii) our Group has in place adequate procedures and processes to monitor, track and identify RRPT(s) in a timely and orderly manner; and
- (iii) the Board Audit Committee will review these procedures and processes whenever the need arises.

### **4. DISCLOSURE IN ANNUAL REPORT**

Disclosure will be made in accordance with Section 3.1.5 of Practice Note 12 of the Listing Requirements, which requires a breakdown of the aggregate value of the RRPT(s) entered into during the financial year, amongst others, based on the following information:

- (i) the type of the RRPT(s) made; and
- (ii) the names of the Related Parties involved in each type of the RRPT(s) made and their relationships with our Company.

The above disclosure will be made in our Company's Annual Report for each subsequent financial year after the Proposal has been approved and renewed.

In addition, if the actual value of the RRPT(s) entered into by our Group exceeds the estimated value of the RRPT(s) disclosed in the circular to shareholders on the Proposal by 10% or more, our Company will make an immediate announcement to Bursa Malaysia.

### **5. RATIONALE AND BENEFITS OF THE PROPOSAL**

The RRPT(s) to be entered into by MCB Group with the Related Parties are all conducted in the ordinary course of business. They are recurring transactions of revenue or trading nature which are likely to occur with some degree of frequency and could arise at any time and from time to time. These transactions may be constrained by the time-sensitive nature and confidentiality of such transactions, and as such, it may be impractical to seek shareholders' approval on a case to-case basis before entering into such related party transactions.

The RRPT(s) are considered by our Board to be beneficial to MCB Group as they constitute transactions which are necessary for the day-to-day operations of the MCB Group, which contribute to the generation of its turnover and profit. The close commercial relationships that had been established with the Related Parties have created an effective network that the MCB Group can draw upon to support its operational needs, deriving synergistic and operational benefits to support its business functions.

The Proposal, if approved by the shareholders, will eliminate the need to make regular announcements to Bursa Malaysia or to issue separate circulars to shareholders and to convene separate general meetings on each occasion to seek shareholders' prior approval for the entry by our Group into such transactions. This would substantially reduce administrative time, inconvenience and expenses associated with the making of such announcements and the convening of such general meetings, without compromising the corporate objectives and adversely affecting the business opportunities available to MCB Group.

Hence, the Directors are seeking approval from the shareholders on the RRPT(s) as described under Section 2.4 of this Circular.

## 6. FINANCIAL EFFECTS OF THE PROPOSAL

The Proposal is not expected to have any material effect on the issued share capital of MCB, as well as the consolidated earnings and net assets of MCB Group for the financial year ending 31 December 2025.

### 3. MATERIAL LITIGATION, CLAIMS AND ARBITRATION

Save as disclosed below, our Group is not involved in any material litigation, claims or arbitration, whether as plaintiff or defendant, and our Board is not aware of any proceedings, pending or threatened, against our Group or of any fact likely to give rise to any proceedings which may materially and adversely affect the financial or business position of MCB Group:

- a) **Singapore International Arbitration Centre Arbitration No. 278 of 2018**  
**Claim 1 (formerly Main Action) between Prai Power Sdn Bhd (“PPSB”) (as Claimant) and (1) GE Energy Parts, Inc (“GE Energy Parts”), (2) GE Power Systems (Malaysia) Sdn Bhd (“GE Power Systems”), (3) General Electric International, Inc (“GE International”), and (4) General Electric Company (“GE”) (collectively “GE Entities”) (as Respondents); and**  
**Claim 2 (formerly Third Party Claim) between GE Entities (as Claimants) and (1) Malakoff Power Berhad (“MPB”), and (2) MCB (collectively “Malakoff Entities”) (as Respondents), in relation to Prai Power Plant, Penang**

On 24 September 2018, Allianz General Insurance Company (Malaysia) Berhad initiated the arbitration as a subrogated action, in the name of PPSB, against GE Entities, in relation to an incident on or about 18 July 2015 (“**2015 Incident**”) which resulted in damage to a gas turbine at PPSB’s 350MW Combined Cycle Gas Turbine Power Plant situated in Prai, Penang (“**Prai Power Plant**”).

PPSB alleged that GE Entities breached a duty to exercise reasonable care and skill to properly design, manufacture, supply and install a GE 109FA single shaft gas turbine at the Prai Power Plant. By reason of the alleged breach, PPSB claims for, among others, loss and damage in the sum of RM72,094,050.12 from GE Entities.

In addition to filing their defence on 22 April 2019, GE Entities filed a Counterclaim against PPSB alleging breach of:

- a) the Settlement and Release Agreement dated 12 December 2012 (“**SRA**”) in relation to two incidents at the Prai Power Plant in 2006 and 2009; and
- b) the Long Term Service Agreement dated 19 December 2000, which was novated from Natural Analysis Sdn Bhd/PPSB to MPB in the Novation Agreement dated 18 January 2013.

On 9 August 2019, GE Entities filed a Joinder Application, seeking to join Malakoff Entities as parties to GE Entities’ Counterclaim. GE Entities alleged that:

- a) the commencement of the arbitration constitutes a breach of the SRA, in respect of which Malakoff Entities are liable;
- b) Malakoff Entities are liable to indemnify GE Entities against any liability under the arbitration; and
- c) if GE Entities are found liable for the 2015 Incident, MPB is liable for contributory negligence as the operator of the Prai Power Plant.

On 20 June 2020, the Arbitral Tribunal granted the Joinder Application to join Malakoff Entities as the Respondents in Claim 2 of GE Entities.

Following the passing of a co-arbitrator of the Arbitral Tribunal on 29 January 2023 and the consequential appointment of the substitute co-arbitrator on 17 March 2023, the hearing had been rescheduled to take place from 7 to 20 March 2024.

On 10 January 2024, one of the co-arbitrators of the Arbitral Tribunal had decided to withdraw as a co-arbitrator due to unexpected health complications.

On 22 January 2024, the Arbitral Tribunal confirmed that the previously scheduled hearing dates from 7 to 20 March 2024 have been vacated.
